

Inclusive child care benefits ALL children.

Inclusive child care means including and supporting ALL children, regardless of their learning strengths and needs. Inclusive learning environments — including specialized instruction and support when needed — help develop positive self-images, friendship and social skills, problem-solving abilities and respect for others.

FREE inclusive child care training modules

These training modules help you nurture and strengthen the development of all children as well as identify resources and strategies to support children who have delays and/or disabilities.

Module 1:
An Overview of *Early On*[®] and Build Up

Module 2:
Inclusive Care for Infants and Toddlers
