Infants and Toddlers with Hearing Loss:

How are We Supporting Their Language Development, and How Does this Align with Best Practices and Parent Perceptions?

Early On Conference Session 1-F, Wednesday, 11/11/2015, 10:30am-12:30pm

We are interested in learning about your interactions with parents of children with hearing loss!	
1.	What information or suggestions do you provide to parents of children with hearing loss about <u>interacting or communicating</u> with their child?
2	
2.	What information or suggestions do you provide to parents of children with hearing loss about <u>how they can promote the language development</u> of their child?
3.	What information or suggestions do you provide to parents of children with hearing loss about
